- ✓ Offers online customer service
- ✓ Provides up-to-date and detailed case status

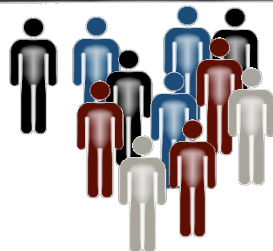

USCIS ELIS User Groups

Today:
Approximately 500,000
USCIS ELIS Users

Future:
Most benefit seekers will
use USCIS ELIS (as forms
and functionalities are
developed)

As we develop new USCIS ELIS functionality, and increase the number of form types that can be filed in USCIS ELIS, we anticipate more applicants will visit libraries to e-file applications.

USCIS ELIS Functionality

- File Form I-539, *Application to Extend/Change Nonimmigrant Status*.
- Pay \$165 USCIS Immigrant Fee.
- File Form I-526, *Immigrant Petition by Alien Entrepreneur*.
- Access and save documents in USCIS ELIS Document Library.

What's Next for USCIS ELIS?

- Form I-90, *Application to Replace Permanent Resident Card*
- Technical upgrade will simplify the USCIS ELIS user interface and enable USCIS to become more flexible and increase the speed of system development.

FAQs

Can my family or friends help me file a benefit request in USCIS ELIS?

Yes. Family members, neighbors, friends or paid preparers may assist you as you personally complete your benefit request online. They cannot complete your benefit request for you or submit it on your behalf. If you receive assistance in preparing your application, you must identify the person who assisted you by entering the person's name in the Preparer section.

How will I know if USCIS ELIS is temporarily unavailable?

USCIS ELIS will inform account holders who have logged into the system when the system is temporarily unavailable. USCIS also will notify its customers of any temporary system outages at www.uscis.gov. In the unlikely event of a prolonged delay in system availability, your benefit request will be addressed through the current paper filing process.

Important Notes:

- USCIS captures your Internet Protocol address and your web browser information when you file a benefit request.
- USCIS cannot electronically process fee waivers in USCIS ELIS at this time. Payment processing is completed entirely through the Department of Treasury's secure Pay.gov system. USCIS will not store or have access to your payment or credit card information.
- NEVER give out your USCIS ELIS account number or password to another individual or allow another person to use your USCIS ELIS account and password to file a benefit request.

You currently do not have any cases pending or in draft status.

If you choose not to file your benefit request today, the system will save a draft of your benefit request for 30 days.

If you do not file your benefit request within 30 days, all drafts of your request will be deleted and your USCIS ELIS account will be deleted.

If your account is deleted, you will need to create a new account in USCIS ELIS before you can file a new benefit request.

If you previously filed a benefit request in USCIS ELIS, your USCIS ELIS online account will not be deleted. In the future, only those benefit requests that remain in a "DRAFT" state will be deleted after 30 days.

USCIS Immigrant Fee

Apply Online

USCIS Immigrant Fee
USCIS Immigrant Processing Fee

Any individual who receives an immigrant visa from a United States consulate or embassy abroad (including Canada and Mexico) on or after February 1, 2013, must pay the USCIS immigrant processing fee as well as the U.S. Department of State (DOS) immigrant visa application fee.

The following immigrant groups are exempt from payment of the immigrant processing fee:

1. Children who enter the United States pursuant to international adoption programs (Form I-600, Petition to Classify Orphan as an Immediate Relative or Form I-800, Petition to Classify Convention Adoptee as an Immediate Relative)
2. Iraqi and Afghan Special Immigrants (INSERT FORM TYPE or visa category)
3. Returning Residents (holders of SB-1 visas)

Payment must be made **after** you receive your immigrant visa from the U.S. Department of State but **before** travel to the United States.

You can pay the USCIS immigrant processing fee for multiple individuals at the same time. This includes family members who will be entering the United States with you based on a single approved petition or who will be following-to-join you after your admission to the United States.

How to Make Payment

You may pay the USCIS immigrant processing fee online. To pay online select **Apply Online** button above and follow the screen prompts. You may pay the fee for yourself and additional members of your family in a single transaction. Please be sure to enter each individual's unique alien number, as appropriate. If you are unable to pay the USCIS immigrant fee, another individual can make the payment on your behalf.

You will need to complete the electronic form and provide your checking account information or debit or credit card information. All funds must be drawn on a U.S. bank.

You will not receive your Permanent Resident Card (green card) until the required USCIS immigrant processing fee is paid.

More information is available on our website at www.uscis.gov/immigrantfee.
